

# A Note From the Pastor

Where has time gone? 2009 has come and went and now we are in a new year. 2009 had it's ups and downs. Many people had the greatest year ever and for others it was the hardest year ever. We have watched a lot of things change - our economy - many of you have lost jobs and times have become hard. Let me remind you to stay faithful to the Lord for He is going to remain faithful to you.

If you make any New Year resolutions, make sure you include the Lord. During 2010 allow Him to lead you in every decision that you make. Allow Him to be your guide through your dark days. Also make sure that you are faithful to Him when it comes to His house. God wants us all in worship to His son, our Savior. If you are going to be faithful to our Lord, you must do so in your giving. Give to Him what belongs to Him.

Thanks for sharing Christmas with us.
